EcoChurch? Can you help?

Christians have a responsibility to look after the Earth so we're starting an Environment Group to help us do this here in Hungerford. We'll be working towards an EcoChurch award, which is a national scheme run by A Rocha, a Christian environmental charity that we have supported for a number of years. We have three meetings:-

21 May Introduction to Christian environmental stewardship and the EcoChurch Award

18 June How can we make our building greener?

2 July How can we manage the churchyard for biodiversity?

All Welcome

HUNGERFORD

May 13th 2018

Please join us in our Novena of Prayer

It is a 9 day season of concerted prayer, introduced in the 17th century as a way of seeking a special gift of grace from the Holy Spirit. But its roots go back to the very beginning of the Church - to the nine days between Ascension Day and the Day of Pentecost, the time that the apostles, together with Mary and others, spent in preparation for the outpouring of the Holy Spirit on the birthday of the Church.

Refreshments after the 10am Service today will be served by
