

EcoChurch? Can you help?

7.30pm in Church

Christians have a responsibility to look after the Earth so we're starting an Environment Group to help us do this here in Hungerford. We'll be working towards an EcoChurch award, which is a national scheme run by A Rocha, a Christian environmental charity that we have supported for a number of years. We have meetings on:-

18 June How can we make our building greener?

2 July How can we manage the churchyard for biodiversity?

All Welcome

Roof repair Phase Two for St Lawrence's church, Hungerford

The roof repair is complete, costing £27,000. We already have about £17,000 so we need about £10,000. The Good Exchange have agreed to match fund the next £5,000 donations.

It would be great if we could clear this shortfall as soon as possible.

Please go online to **the good exchange Ref 12134** to make your donation Or fill in the form at the back and post it to the good exchange

Thank you so much for your help
Yours mike

We are going through change as we try to make our church more relevant to all parishioners. The process of change is painful to some, so we want to remind everybody that Mike or one of the wardens are happy to discuss the changes or anything else about the church with anybody who has concerns about this
