We are going through change as we try to make our church more relevant to all parishioners. The process of change is painful to some, so we want to remind everybody that Mike or one of the wardens are happy to discuss the changes or anything else about the church with anybody who has concerns about this

EcoChurch? Can you help?

7.30pm in Church

Christians have a responsibility to look after the Earth so we're starting an Environment Group to help us do this here in Hungerford. We'll be working towards an EcoChurch award, which is a national scheme run by A Rocha, a Christian environmental charity that we have supported for a number of years. We have meetings on:-

2 July How can we manage the churchyard for biodiversity?

All Welcome
