

CORONAVIRUS (COVID-19)

The Church continues to be alive and active, but in Hungerford our building must be closed.

The nation is seeing a huge increase in the number of people falling sick with COVID-19. We must physically distance ourselves from one another and prevent the spread of infection in order to save lives.

Therefore, as well as public worship being suspended, this and all church buildings in the Diocese of Oxford are now closed.

Our worship of God and our care for each other continue but cannot be done in this building.

Our website contains details of how to join others online for prayer, worship, study, and community life.

“Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength . . . Love your neighbour as yourself. There is no commandment greater than these.”

To protect the vulnerable amongst us, please do not leave your home except for essential trips.
