

When worship restarts – The plan for St Lawrence's, Hungerford

1 Facemasks should be worn at all services

2 Please give us your name a phone number as you arrive for track and trace

3 The congregation is not allowed to sing

At 10.00am the choir will sing to enable us to pause and connect with God

4 Communion will be served in one kind (bread) only

There is a one way system

Please come to the front down the main aisle

Whoever is presiding will stand in the middle at the front.

Please put out your hands as far as you can and you will be given a wafer with no words

Please return to the back down the side aisles

5 At 8.00 o'clock communion

About 12 people come – so this is a great service for those who need to keep safe

Only the main aisle is open

6 At 10.00am o'clock

Alternate pews are open in all three aisles

7 The 10.00am service will be recorded.

So the preacher and leader, the readers and intercessor will all appear on the internet

BUT the congregation will not appear on the internet even when you come to communion!

The service will not go out live but it will be uploaded to YouTube and Facebook at 12.00.

8 The 6.30pm evening service

About 12 people come - so this is a great service for those who need to keep safe

Only the main aisle is open
